WORK AND WORKINGMEN

Situation of Affairs in the Hocking Valley.

A Threatening Circular—Will the South Boycott Cincinnati?—Shoemakers of Philadelphia—Establishments that are Closing.

NELSONVILLE, O., Dec. 3.—All is quiet in the Hocking Valley excepting a little excitement at Nelsonville. About thirteen strikers resumed work at fifty cents at Salt Well Hollow Mine, and a few men are expected to follow to-morrow. This has irritated the strikers remaining out very much, but there are no indications of violence. The strikers of Nelsonville have issued a circular in reply to the one issued by the citizens Saturday. It has caused a new excitement here among business people. The strikers in the circular state that they will give the citizens who attended the citizens' meeting two days to clear their skirts. After that names will be published and a system of boycotting begun. The circular concludes:

"If you uphold traitors such as Arnold in the revolutionary war; Jeff Davis in the late war, and Andy Robinson and Dick Barnecue in the present syndicate, which was organized to rob the consumer as well as miner, then the curse of God lie upon you."

The reports that colored and Hungarian "blacklegs" are loading a large amount of coal is untrue; 140 men at Carbon Hill, in three days, have only loaded four flats. The thirteen strikers awaiting trial at Logan for participating in the Murray City riots, have been released on \$500 bail each.

RAISING AID FOR THE MINERS.

PITTSBURG, Dec. 3.—Thomas A. Armstrong presided at a meeting of officers of the Trades Union held last night in the Amalgamated Association Rooms, the object of which was to raise money to assist the Hocking Valley miners. A committee will wait upon the managers of various places of amusement in this city to endeavor to have each of them give a benefit entertainment, while another committee was appointed to solicit provisions, clothing, &c.

A telegram was sent to the Associated Press Manager at New York, asking him to remove the Associated Press Agent at Columbus, Ohio, believing he has been bribed by the Coal & Iron Company to send out highly colored reports. The meeting adjourned to meet on Thursday.

IS CINCINNATI TO BE BOYCOTTED?

NASHVILLE, Tenn., Dec. 3.—The Southern Steamship and Railway Association, representing the Nashville, Chattanooga & St. Louis Railway, the Louisville & Nashville Railroad, and all steamship lines from the Carolina and Georgia ports, met last week to confer with the General Manager of the Cincinnati Southern Railway relative to freight rates between Cincinnati, Memphis and Southern points. The manager of the Cincinnati Southern claimed the same rate should be made via that line as from Memphis to Southern points, Memphis heretofore having three cents advantage. Hence the pooling arrangement failed. In consequence of this President J. W. Thomas, of the Nashville, Chattanooga & St. Louis Railway, says to meet the competition he will be forced to suspend one-fourth of the employees on his line, about 600 men. The order took effect yesterday. It is reported here as a calamity and merchants talk of boycotting Cincinnati. The wages of the remaining employees will remain as they are.

WAGES ADJUSTED.

PHILADELPHIA, Dec. 3.—The shoe manufacturers who have signed the bill of wages presented by the Turn Shoemakers Assembly, No. 334, Knights of Labor, of Philadelphia, to go into operation to-day and continue for one year, are the following: Laird, Shober & Mitchell, W. Drisbach, T. Miles & Sons, Ogden & Markley, Solters, Morgan & Co., Milton Phillips, Nelson & Shipley, Willis & Trask, W. S. Reeves, Kelley & Moore, Jacob Fisher, Duling & Watson, Salter, Lewin & Co., H. Gardiner, M. Elkins & Co. CLOSING UP.

ELKTON, Md., Dec. 3.—The extensive fertilizer works of D. Scott & Bro., of Elkton, have shut down and discharged their employees. This is the first time this ever occurred since the formation of the firm, fifteen years or more ago. It throws out of employment a large number of men. None of the iron or cotton mills on the creeks near here are running on more than half time. The Elk Cotton Mills have also shut down. The McCullough Iron Company have reduced the running hours to half the usual time.

TWO HUNDRED AND FIFTY DISCHARGED.

NEW HAVEN, Conn., Dec. 3.—The force of laborers on the Consolidated Railroad was today reduced by the discharge of about 250 men. The laborers retained will have their wages reduced from \$1.50 a day to \$1.25. The hands in the company's shops to-day started on the eight hour schedule.

STARTED UP.

GLOUCESTER, N. J., Dec. 3.—The Gloucester City Gingham Mills after an enforced idleness of about a month have started up. A reduction of fifteen per cent. was made in all wages.

RESUMED BUT WAGES REDUCED.

MASILLON, O., Dec. 3.—After a stoppage of several weeks, the firm of Russell & Co., of this city, which employs 550 men in the manufacture of agricultural machinery, have resumed work. They announce a reduction of ten per cent. on the wages of all employees except the office men.

150 DISCHARGED.

PITTSBURG, Dec. 3.—The Pittsburgh Lake Erie Railroad Company have just paid off and discharged over one hundred track laborers, and about fifty quarrymen.

A TEN PER CENT. REDUCTION.

PITTSBURG, Dec. 3.—Jones & Laughlin have notified their employees that their iron works—except those working on the Amalgamated Association's scale—next Monday will make a reduction of ten per cent in their wages, to take effect at once. The notice affects not only the skilled workmen with the exception as stated, but also the laborers, who are now earning only \$1.25 a day, and concerns a thousand men.

A Bogus Robbery Confessed.

PORTLAND, Ore., Dec. 3.—Some days ago

James Cunningham, agent for the Oregon & California Railroad Company at Wedford Station, Oregon, claimed that the office had been entered by three masked men, who presented cased weapons at his head and compelled him to open the safe, and about \$1,200 were taken. The story told by Cunningham was doubted, and a detective was employed who has tracked the robbery down to Cunningham himself. Sunday he confessed the crime and told where he had buried the money. The company has recovered most of the funds. Cunningham told a very clever story about the bogus robbery. He has heretofore stood high in the estimation of the company. He is now in custody.

DRUNKEN INDIANS.

Narrow Escape of a Man and Four Children—Two Indians Captured.

PORTLAND, Ore., Dec. 3.—B. B. Day, an old resident near Pomeroy, Washington Territory, while going home with his four children Sunday, was attacked by a party of drunken Indians, and all narrowly escaped being murdered. Day and the children took refuge in the timber and managed to keep the Indians at bay until the Sheriff and a large posse arrived. About forty shots were fired. Two of the Indians were captured and taken to Pomeroy. The remainder of the band made their escape. A party are now in close pursuit, and if overtaken they will be dealt with summarily. Public indignation is intense over the outrage, and strong threats are made of lynching the men who sold the Indians the liquor.

DIAZ INAUGURATED.

The People of Mexico Wild with Ecstacy Joy.

CITY OF MEXICO, Dec. 3.—As a result of the Presidential election held in this Republic on the 13th of last August Porfirio Diaz was Monday inaugurated President in a manner befitting his eminent service of "Liberator" and statesman. The inaugural ceremony and the accompanying public celebration was the most imposing event ever witnessed in this city. The oath was duly administered by President Diaz, and after the conclusion of the ceremony, retiring President Gonzalez gracefully made way for his successor amid a storm of applause, the firing of cannon and the ringing of bells. Subsequently the President was escorted by a civic procession followed by military, to the palace, the joy of the people and their confidence in Diaz being abundantly manifested.

SULLIVAN SWINGS.

The Horrid Murder of Ella Watson at Last Attended.

SALEM, N. J., Dec. 3.—The legal execution of Howard Sullivan, which took place in the County Jail this morning, was the closing act of a tragedy seldom equaled.

The story of the crime is briefly as follows: Ella Watson, on the 18th of last August, while proceeding to her home over a lonely road near Yorktown, was waylaid, robbed, ravished and murdered, and her body concealed in the bushes near by, where it was discovered a few days after. Sullivan upon trial pleaded guilty. The drop fell at 11:30, and Sullivan died without a struggle.

The Bigamist Dying.

TOLEDO, O., Dec. 3.—Bigamist Neville is resting quietly and there are no signs of immediate dissolution. When conscious he continually asks for Miss Whitney, saying he wishes to see her once more before he dies. He has left orders that his other Detroit wife should not be admitted to his cell, as he blames her for all his misfortune. His lawyers will demand a new trial.

Persecuting Bail.

BUFFALO, Dec. 3.—The Rev. Geo. H. Ball, of this city, is having a hard time of it and doubtless wishes the election was really over for him. Last night a gang of toughs surrounded his parsonage and pelted out the windows with chunks of coal. One large chunk was hurled into the sleeping apartment of his two daughters, frightening them badly. No arrests have been made.

University of Wisconsin Burned.

MADISON, Wis., Dec. 3.—About half past 8 o'clock Monday Science Hall, of the State University of Wisconsin, caught fire from the boiler room and was completely destroyed. Loss about \$200,000. The building was three stories above basement, built of stone and an imposing structure. It was completely equipped with all kinds of valuable scientific apparatus, and scientific records. The insurance amounts to \$41,000.

Singular Freak of Lightning.

LIBERTY, Va., Dec. 3.—A youth on the farm of James Watkins, near here, was today standing under a tree talking to some negroes. The sky was slightly overcast. A vivid flash of lightning, followed instantly by a clap of thunder, startled the party. The youth fell dead. His clothing was torn to shreds, but the skin on his body was broken in only one small place.

Swindling in Horse Flesh.

CHICAGO, Dec. 3.—The extradition of Joseph Rocside, charged with fraud, fabrication and entering false pedigrees of Clydesdale horses imported into this country from Scotland by the Rocside Brothers, of Waukegan, came before the United States Court to-day. Secretary McFellage, of the Clydesdale Horse Association of Great Britain, is in the city.

Beatty's Embarrassment.

TRENTON, N. J., Dec. 3.—Vice Chancellor Van Fleet has granted a rule to show cause why an injunction should not issue against Daniel F. Beatty, the organ and piano manufacturer, of Washington, New Jersey, restraining him from doing business; also that a receiver may be appointed to take charge of the affairs of the company. The application is made by E. F. Fanley, of Shelbyville, Illinois, for the benefit of himself and other creditors of Daniel F. Beatty.

Lives Saved by a Kitten.

NEWBURYPORT, Mass., Dec. 3.—The house of Michael Dunn, on the outskirts of this city, was burned early yesterday morning. Cries of a kitten awakened the family. The alarm was so sudden the inmates had to flee for their lives. A son found his trousers gone and a watch stolen from his vest. Michael Dunn's trousers, containing money, were also stolen. It was undoubtedly a case of robbery.

BLOOD STAINED CRIMES

Desperate Ending of a Feud in New Orleans.

Double Murder—Three Killed—Insanity Dodge—Editor Killed—Knifed—Shot by a Policeman—Suicides—The New Orleans Tragedy.

NEW ORLEANS, La., Dec. 3.—Some time ago Captain Murphy, keeper of the workhouse, was before Recorder Ford's Court for assaulting a woman. Ford reprimanded him in severe terms and gave him the full extent of the law. Murphy afterwards posted Ford as a liar, thief and perjurer. A duel was expected, but Ford finally caused Murphy to be indicted for criminal libel. Trouble has been expected ever since. Monday Murphy, who was working a gang on the Clay-Barnes Canal, was seated on the steps with two friends when three men approached on the opposite side of the street. They were pointed out to Murphy as Ford's court officers. Just then three other men turned into St. Philip street and advanced on Murphy. One of them was Police Officer Murphy, a brother-in-law of Ford's, and one of his officers. The other two answer the description of Judge Ford and his brother Patrick. As they approached Murphy the two Fords drew two revolvers each and opened fire. The men on the opposite side of the street also fired. One of Captain Murphy's friends was wounded in the leg by the first volley. Murphy emptied his revolver at his assailants without damage and ran. Pat Ford pursued and shot him in the back, the bullet going through his heart. Another of the men walked up and shot him in the head twice as he fell. He was wounded eight times altogether. Murphy was an amateur sparrer of considerable local reputation, and was considered a desperate man. Judge Ford claims he can prove an alibi. Eighteen men have been arrested.

MURDERED FOR TWENTY-FIVE CENTS.

UPTON, Ky., Dec. 3.—A double murder was committed at the residence of Alexander Wells, colored, near here, at a dance, in which Taylor Phillips and Rafe Howard, both colored, were the victims. Phillips asked Howard to loan him twenty-five cents, which he refused. Angered, Howard began carving Phillips with a knife, cutting him so badly that he ran out of the house and died. As Howard tried to make his escape he was shot in the back by Jim Phillips, a cousin of Taylor, and died a few minutes later. Jim Phillips is still at large.

THREE KILLED AND THREE WOUNDED.

SAN ANTONIO, Tex., Dec. 3.—An unknown man was robbed and murdered by an unknown gang of thieves, forty miles east of Clarksville. The gang was overhauled yesterday by a posse of officers thirty miles from the scene of the murder. A fight ensued and two of the gang were killed and another fatally wounded. Two of the pursuing party were dangerously wounded.

MAXWELL'S INSANITY DODGE.

SPRINGFIELD, O., Dec. 3.—Dr. John Maxwell, who poisoned his three children and made an attempt at suicide, suddenly took on the air of a madman Sunday. When the turnkey approached him with food Maxwell leaped savagely upon him and choked him until he was black in the face. The timely arrival of other attendants saved the turnkey's life, and the refractory prisoner was manacled. At night the handcuffs were taken off, but a violent attack on the Sheriff caused them to be restored. The jail physician, despite the assaults, declares that Maxwell is sane. It is asserted that Maxwell married his present wife before being divorced from his first wife, whom he deserted in Indiana.

AN EDITOR KILLS AN EDITOR.

ROLLA, Mo., Dec. 3.—At Vienna, Maries County, a street encounter took place Saturday evening between Thos. M. Watkins, editor of the Weekly Herald and John H. Diggs, editor of the County Courier, in which the former was shot and killed. The affair grew out of a personal controversy through their papers. Diggs was arrested.

COMMISSIONER MERCHANT'S BASHNESS.

PHILADELPHIA, Pa., Dec. 3.—Gustavus Schwarz, of Koons, Schwarz & Co., commission merchants at 137 North Water street and 144 North Delaware avenue, attempted to commit suicide at his home by shooting himself in the head. No cause is assigned for the act. The wound is said to be of a fatal character.

SYMPATHY WITH THE GIRLS.

NEW ORLEANS, Dec. 3.—John D. Logan, who was shot Saturday night by Georgiana Conway, whom he had betrayed, passed a quiet night, and though not permitted to talk, the hospital physicians think he will recover. Public sympathy is entirely on the side of the girl, and of her sister, who shot Joseph Devonshire for a similar offense. They have been admitted to bail in the sum of \$2,500 each. Devonshire is already out of danger.

SLIM CLUE.

CAMBRIDGE, Md., Dec. 3.—The dead body of James A. Wellen, aged forty, was found near Finchville. His death was caused by a terrible gun shot wound in the neck. The only clue to the murderer is the finding of the wadding used in the gun from which was fired the fatal charge. It consists of part of an envelope which had been addressed to some one at Eldorado postoffice.

KNIFED.

CAMDEN, N. J., Dec. 3.—Thomas Reilly and Richard Borden had a quarrel over a game of cards. During the melee Reilly drew a knife and plunged it into Borden's abdomen, inflicting probably a fatal wound. In the excitement Reilly made his escape.

SHE GRACED IT.

SALEM, N. J., Dec. 3.—Mrs. Ellen Chance, residing at Bricksboro, Cumberland County, while laboring under a temporary fit of insanity, got possession of a razor and made a frightful gash across her throat, before it could be taken from her. She is expected to die momentarily. Two of the unfortunate lady's sisters died insane.

SHOT DOWN BY A POLICEMAN.

HOT SPRINGS, Ark., Dec. 3.—Charles Watson, a gambler, was shot and killed by Policemen Brutus (colored) last night. Watson was riding in a buggy and Brutus fired about five shots at him, only one taking effect.

MISS CLANCY CREMATED.

Singular Request Respecting the Burial of Her Ashes.

LANCASTER, Pa., Dec. 3.—The body of Laura G. Clancy, of Baltimore, was cremated yesterday afternoon at the Lancaster Crematorium. The young woman was formerly an actress and died November 10 of consumption.

"I know my mother will be with me tonight," was Laura G. Clancy's remark just before she died. She was a spiritualist, and the remark meant that she knew her mother's spirit would call for her. "Have my body cremated and the ashes divided so that one-half can lie with sister Venie, in Baltimore, and half with mother in Burlington, Vermont."

She made her friend promise that she would carry out her wish, and that is why Laura G. Clancy's body was cremated at the crematorium here. Miss Clancy was the young sister of Venie Clancy, the actress. Laura acted with Mary Anderson but was better known as the leading lady with Frank Mayo. Her greatest success was as Elmer Vaughan in "Davy Crockett."

The body, which had been embalmed was wrapped in cloth saturated with alum water and placed in an iron crib and rolled before the retort. There were few people present. No religious exercises were held. The chamber was heated to 2,300 degrees. The body retained its form for nearly an hour and then sank. In two hours it was reduced to ashes. These will be taken out and disposed of as requested by Miss Clancy.

ILLINOIS LEGISLATURE A TIE.

Gov. Hamilton Awards a Certificate of Election to Leman.

CHICAGO, Dec. 3.—It is reported this morning that United States District Attorney Tutill has prepared a report in the Leman-Brand case, to be presented to Judge Blodgett, declaring that over two hundred ballots were taken from the box and an equal number of fraudulent ones substituted, but that the Federal Court has no jurisdiction, as the fraud was in connection with a State office and urges the State authorities to take up the case and bring the guilty parties to justice. A dispatch from Springfield says that Governor Hamilton, in a decision of eight thousand words, awards a certificate of election to Leman, Republican. This makes the Legislature a tie.

CHICAGO, Dec. 3.—A sensation was caused here by publication of the fact that testimony before the Grand Jury connects the name of Joseph C. Mackin, secretary of all the Democratic committees, with the alleged fraud in the Second precinct of the Eighteenth ward. J. L. Thompson, an employee of the printing house that printed the bogus ballots, testified that the order for the work was given by Mackin personally. Mackin has been interviewed. He denies Thompson's statement and any complicity whatever in the fraud.

BURLINGTON, Ia., Dec. 3.—Yesterday two carloads of articles collected in Iowa for the New-Orleans Exposition were almost completely destroyed by a collision of parts of a broken train a few miles north of this city. The cars contained a large number of paintings, embroideries and specimens of women's work collected by Mrs. Scott, which are either totally destroyed or damaged beyond repair, and the loss cannot be computed. Among the other articles destroyed were seeds, grains and vegetables and sacks of flour from eighty-five counties in the State. Commissioners Snodgrass and Chase, who have spent the past two months in making these collections, are here transferring the demolished exhibit to other cars, and at New Orleans the damaged articles will be repaired, if possible, and placed on exhibition.

Part of the Buzzard Gang Captured.

WESTCHESTER, Pa., Dec. 3.—A special from Lancaster says that mounted troops from Goodville, Bowmanville and Compasville, with a number from Caermarvon, left early this morning in pursuit of the Welsh Mountain outlaws. Last night robberies were committed near Intercoarse. A horse and buggy have been stolen from Miller Kling. The mountains were scoured, and late in the afternoon the party captured a crowd comprising William Marshall and four colored men, and in whose possession was found harness, jewelry, clothing and other articles. The posse with their prisoners are on their way to Lancaster jail. It is reported by good authority that Abe Buzzard, the leader of the gang, left the swamp in which the outlaws were cornered last Saturday, and was seen going east on Sunday, armed to the teeth.

Can't Somebody Kiss Sue.

NEW HAVEN, Conn., Dec. 3.—Mrs. Belle Griffin, at Huntington, Connecticut, jealous of her husband's attention to Catherine Gannon, their domestic, sued for a divorce and went to her parents' home. Miss Gannon has sued Mrs. Griffin for slander and caused an action for assault to be brought against her. Mrs. Griffin has sued her husband's father, John Griffin, for slander, and the husband has brought a replevin suit against Mrs. Julia A. Gilbert, his mother-in-law to recover goods which he claims belong to him and were taken by his wife.

A Losing Concern.

ANNAPOLIS, Md., Dec. 3.—The annual meeting of the stockholders of the Chesapeake & Ohio Canal was held here to-day. The report of the President shows that the Chesapeake & Ohio is still a losing concern, the receipts for the year being \$155,000 while the expenses reached \$200,000. During the year a reduction of salaries amounting to \$15,000 annually was made. On motion of Governor McLane, who represented the State stock, Colonel L. Victor Baughman, of Frederick, was elected President.

Official Irregularities.

RICHMOND, Va., Dec. 3.—The irregularities in the office of the Auditor of Public Accounts of this State have created quite a sensation here. The loss the commonwealth will sustain cannot now be estimated. W. R. Smith, first clerk in the Auditor's office, whose duty it was to audit and attend to the class of accounts in which the irregularities have occurred, to-day made a deed conveying all of his property in trust for the benefit of the Auditor. Its value is roughly estimated at \$20,000.
